

Principals Report – Term 1, Week 8 – 2019

We have had a busy couple of weeks! One Wednesday this week we celebrated Harmony Day and thoroughly enjoyed the presentations from members of our community. Mrs Cleary has included a full report in this newsletter.

We have had some excellent results in recent swimming carnivals with the Woollooware Team taking out the Zone trophy for swimming. This led to many of our swimmer progressing to the Sydney East Regional carnival this week and some more outstanding results. See the full report included in this newsletter.

P&C News

Last Monday night was our P&C AGM. I would like to sincerely thank the outgoing committee for their dedication and hard work over many years. This team was led by President Joanne Ball and included Vice President Susan Agostino, Treasurer Keely Burke and Secretary Mel Davies. This team has been behind the delivery of so many events and projects for the school including all of our discos, bbqs, walkathons etc. and saw the installation of our new COLA as well as many other upgrades and additions like the 'Library Lawn' and the upcoming shade for the play equipment. We are truly indebted to this team of amazing members of our community.

Our P&C is entering an exciting new chapter with a whole new committee elected on Monday night. The new committee consists of:

President: Zosia Ericksson

Vice Presidents: Lee Tasker and Bo Tang

Treasurer: Sonia Rosier

Secretary: Clair Hogan

Fundraising Coordinator: Julie Walsh

This new team is passionate and excited about the future of parent engagement in our school. They would welcome your input and support and will warmly welcome you to the next meeting on Monday 13 May at 7.00pm.

Other School News

Harmony Day

Harmony Day

This week, Woollooware Public School celebrated Harmony Day!

We were fortunate to have parent and teacher guest speakers who were willing to share with the children their own stories about their country and cultures.

Mrs George, Juan and Airish spoke about their countries, Columbia and the Philippines and how their family became united with the opportunity of adoption. Mr Berry shared his story of growing up in South Africa. Ms Kuehnel shared her story of her school days and every day life in Germany. Ms Harradine researched her family's past history and explained to the children her parents' story coming to Australia from Holland and living as a migrant in the early days.

School Banking

School Banking is back at Woollooware Public School

School Banking is back. School Banking Day will be **Thursday**, commencing on **2nd May 2019**.

School Banking is a fun, interactive and engaging way for students to learn about money and develop good savings habits. For each weekly deposit made at school, students will receive a silver Dollarmites token. Once they collect 10 tokens, they can redeem them for a School Banking reward.

If your child has previously participated in School Banking, or has an existing Commonwealth Bank YouthSaver account, they can start banking straight away by bringing their Dollarmites deposit wallet to school on School Banking day.

If your child has lost their book, they can bring their money to school in a sealed envelope with a note on School Banking day and we will issue them with a replacement book.

Our School Banking program is made possible because of parent volunteers. Thank you to those volunteers for donating their time to run School Banking for our students.

If you would like to know more about School Banking, please ask for a 2019 School Banking program information pack from the school office or visit commbank.com.au/schoolbanking

Sporting Achievements

Congratulations to Aidan S who was selected in the Cronulla Zone Boys Football team. He will represent the zone at Sydney East trials on 9 April. Good luck!
