

Term 2 Week 10 - Principals Report

Our COLA Is Here!

We are so excited to see our Covered Outdoor Learning Area finally complete and handed over to the school. This comes after many years of hard work through fundraising and lobbying and I would like to thank our wonderful community for supporting us in achieving this goal. I must mention the hard work and dedication of our P&C (both current and past committees) who have never given up in seeing this project come to fruition. This structure will provide wonderful shade and shelter for all of our students, particularly as we head into the warmer months of the year.

Education Week – Save the Date!

Next term we will be celebrating Education Week with the theme *'Today's Education, Creating Tomorrow's World'* in Week 3. We have planned an Open Day for **Tuesday 7 August** commencing at 12.30pm. there will be more information sent out on this early next term, but pop the date in your diary now.

Sharing our Space

Our school has been selected to take part in the NSW Government initiative 'Share Our Space'. This project is designed to provide the public with safe places for children to play during the holidays breaks. Our school grounds will be open from 8.00am until 5.00pm starting on Tuesday 9 July for the two weeks of the holidays. There will be a security guard on site and the toilets and playground will be available to members of the public. Please note that there will not be adult supervision provided, parents are to ensure their children are adequately cared for.

Reports

Last week you received your child/ren's Semester 1 report. This is a snapshot of your child's learning at this point in time as well as an opportunity to look at goals for the remainder of the year. We encourage you to look at these with your child and talk about their learning goals for the remainder of the year.

Happy Holidays

On behalf of all of the staff at Woollooware, thank you for your support this term. We wish all students a relaxing and fun-filled winter holiday break and trust that you will find some quality family time over the next couple of weeks.

Stay safe!

we have been selected to participate in the government's 'Share Our Space' initiative, where the school grounds and toilets will be open during the holidays. It will operate between Tuesday 9 July until Friday 20 July from 8am – 5pm. There will be a security guard on site and 'no-go areas' will be taped off with bunting. Basically, the public will have access to the grass, the asphalt and the toilets. There will be extra cleaning provided too and we get a reasonable grant for allowing it. If you are coming up to school, basically just keep inside and don't interact with the public as you don't want to assume any duty of care.

I've attached some info and pasted more below...

Share Our Space

Your school is a vital part of our community, and we want you to use it. During these upcoming holidays participating schools across NSW will be opening up their play areas for your enjoyment.
